The Links at North Fork says foursomes only, no exceptions. The tournament will consist of a "Scramble." This is a competition between foursomes, not individuals. Everyone in the foursome tees off. The best drive is selected and everyone hits their second shot from this location. This procedure is repeated on every shot, including putting, until you hole out. The foursome will have only one score on each hole.

Please call Jeff at the office (612) 781-5834 with the names of the people in your foursome. If you do not have a foursome, you will be placed into one. The final list must be complete by *September 2, 2010*, so we may finalize the reservations at the golf course.
